However, it is assumed that revisions would be required on forms and policies.

Officials from the **Department of Transportation** are unable to provide an estimate and will rely on the response from the Department of Revenue.

Officials from the **Missouri Highway Patrol** and **Department of Public Safety** assume no fiscal impact to their agencies.

### DESCRIPTION

This proposal would remove a restriction defining street rods as vehicles manufactured in 1948 or before and revises the requirement to display two license plates on historic vehicles and street rods to a requirement to display only one plate.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
